• Sent out “Thank You’s” to all those that have donated and supported NCTWS throughout the year

• Prep for 2020 meeting by soliciting and confirming items/trips for raffle, silent and live auction items

Plans for the upcoming year:

• We start off with a bang in the fundraising committee because the raffle and auctions at the annual meeting are the largest part of Fundraising committee responsibility throughout the year. Focus will be on summarizing results of annual meeting fundraising, connecting raffle and auction trip winners with respective donor, follow-up to all that donated and supported NCTWS during annual meeting.
• Begin preparing for 2021 annual meeting
• Continue to promote the different ways membership can support NCTWS

Respectfully submitted,

Katie Jones
